For a guest bed, you can also consider an ottoman bed. It's a good way to hide an extra bed, and it's also a good leg rest for the sofa or a way to get a few extra seats in the living room. It's a thin foam mattress because it has to fold into the ottoman, so it's not the most comfortable choice, but for a night or two once in a while, it's definitely better than sleeping on the floor.
