Black Death In The Midlands

THE Black Death splattered the central part of England with the same haphazard venom as it had shown in the south. In Huntingdonshire it seems to have followed much the same course as in East Anglia. By 1363, read the preamble to the city charter, Huntingdon 'was so weakened by mortal pestilences and other calamities' that it was quite unable to pay its taxes.

The Midlands and the North of England - The Black Death

Eerie lost Midlands village deserted in Black Death now ...

The Black Death had first arrived in Dorset in August 1348 and made its steady progress - riding triumphantly on the back of rats - across the country. By the early summer of 1349 it had its grip in the Midlands, and it would not be letting go until a third - perhaps as many as half - of the population lay dead.

Black Death in England - Wikipedia

Many of the killings were by the Royal Ulster Constabulary (RUC) during the Troubles in Northern Ireland. Police in Northern Ireland killed 56 people during the conflict, including at least 30 civilians and at least 20 paramilitary members. There is also evidence linking some RUC officers to attacks by Ulster loyalist paramilitaries.
