Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets

File Type PDF

you sort results by  
publication date,

popularity, or rating,

helping you avoid the  
weaker titles that will

inevitably find their

way onto open

publishing platforms

(though a book has to  
be really quite poor to

receive less than four

stars).

K1100's are pretty bulletproof. They can have the same o-ring oil leak problem in the clutch area that the K1200's have, but it's a lot easier to get to on a K1100. I would be more concerned with the leaking fuel tank. Those tanks are made of aluminum, and usually leak from water corrosion in the welded seams along the bottom edge.
