This canon ef adaptor xi insruction manual, as one of the most effective sellers here will definitely be accompanied by the best options to review.

You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Amazon.com: metabones adapter

ZWO DOES sell an adapter (well 2 different ones actually, one for using with the filter wheel, and one without). However the quality of these adapters isn't great, as they don't old the lens very rigidly and are prone to potential tilt issues. I have heard really good things about the Geoptik Canon EF adapter though.
