It depends on what teacher you have. (I had two FLVS Algebra II teachers because I had to get switched to another teacher when she had too many students.) The first teacher usually asked me like two or three quick and easy questions that you had to answer on the spot. Like she'd say for example, write down this problem: $x+1=1$, so what is x ?

The course itself. The reason is that the only teacher who teaches Algebra 2 Honors at my school has a very different style of teaching. I have seen many kids that were straight A students in math before walk into his class and fail (C, D, F). He either likes you or not and I hate to have to go through his class if I know that FLVS isn't too hard.
