Lister Sr Engines

Lister SR. Telephone 07951 11 11 32. A robust workhorse of an engine in production from around 1967 to 1976 and with considerable numbers still earning their keep today. Available in 1, 2, 3 and 4 cylinder variants; the four cylinder is relatively scarce and items peculiar to it may be hard to come by. Over the production run there were a large number of build options, so if looking for parts it's a good idea to mention what the engine is used for.

Lister SR

Lister Engine Information - Old Engine.org

Lister also built light trucks fitted with their engines, for use around factories. From 1926 to 1968 they built light narrow gauge railway locomotives, weighing as little as 1½ tons, typically used by small brickworks and on peat bogs. The locos were often characterised by a total lack of bodywork; sometimes they had the luxury of an all over roof supported by four corner posts.
