The tricorne or tricorn is a style of hat that was popular during the 18th century, falling out of style by 1800, though actually not called a "tricorne" until the mid-19th century. During the 18th century, hats of this general style were referred to as "cocked hats". At the peak of its popularity, the tricorne varied greatly in style

What is a Tricorn Hat?
Tricorn hats were the style of hat that men wore during the 18 th century. Its name comes from the hat having three corners. Interestingly, in the 18 th century, they were not called tricorn hats. That name didn't come about until the 19 th century. People in the 18 th century simply called them hats.
