One of the survivors of the sinking of Titanic in April 1912, Beesley wrote a successful book about his experience, The Loss of the SS Titanic (June 1912), published just nine weeks after the disaster. He saw two second class women who tried to get on a lifeboat being instructed to go back to their own deck, and that their lifeboats were waiting there.

### **Lawrence Beesley - Wikipedia**

It was a great shock that, despite the advanced technology and experienced crew, Titanic sank with a great loss of life. The media frenzy about Titanic's famous victims, the legends about what happened on board the ship, the resulting changes to maritime law, and the discovery of the wreck in 1985 by a team led by Robert Ballard and Jean-Louis Michel have made Titanic persistently famous in the years since.
