The Power of Identity ()

The power of identity: The information age: Economy, society, and culture

(PDF) The power of identity: The information age: Economy ...

Power of authority organizes and propels itself through notions of identity and is therefore, to an extent, defined by the cohesion of a people's collective identification. Simultaneously, identity is constructed according to the interests of power. Thus, the interaction between power and identity is nonlinear.

The Relationship Between Power and Identity - The New Context

The Power of Identity: The Information Age: Economy, Society and Culture, Volume II By Manuel Castells Castells' The Rise of the Network Society was an enormously influential book in terms of understanding the emerging information economy (or whatever you like to call it). Its follow-up, The Power of Identity, was less influential - my colleagues who have started it have given up on it.
